TESTIMONIALS

"Fox International Channels is spoilt for choice when it comes to offsite venues having experienced the best and the most exotic of resorts in every corner of Asia. But I've got to say, the InterContinental Danang Sun Peninsula Resort took us to a completely new level. The attention to detail right down to the little inscriptions in the concrete roads, to the understated elegance & finger licking French food (if there is such a thing) embodied by La Maison 1888 and the personalized attention from the butler to a passing porter, were just some examples why you've got to believe when they say, "A Place Where World Leaders Meet". We all certainly felt like World leaders. Love the fact that the airport is a short distance away. Will definitely go back. It has just one problem.... We don't know how to top this next year".

"I was part of the ExxonMobil business group which held our regional meeting at the InterContinental Danang Sun in early April and I was part of the team responsible for organizing the event. I should have written earlier but I had back to back work commitments after our meeting and can finally come up for air before we get busy again. I wanted to write to thank the InterContinental Danang Sun for hosting our meeting which was a great success – many of our attendees visited Danang and Viet Nam for that matter, for the first time and came away with very positive impressions of the facility.

The facilities and arrangements offered by your resort was instrumental in making our meeting such a great success. During the course of the preparation and execution of our event, we worked with many of your staff right through to the ladies operating the Nam Tram, and all have been great ambassadors of the InterContinental Danang Sun. Among them I wish to specifically mention Ms. Ly, Mr. Tanh and Jenny who were head and shoulders above others in terms of their customer focus and putting in the additional effort to ensure that everything was seamless and flawlessly executed.

The InterContinental Danang Sun is very fortunate to have them and I would be grateful if you could convey our thanks and gratitude for their help.

We look forward to a return visit to the InterContinental Danang Sun either in a business or personal capacity and to enjoy the ambience and service which we enjoyed so much in our last visit."
